Voices of Tomorrow Scholarship

The Syracuse Chorale is again pleased to offer the Voices of Tomorrow Scholarship for a high school senior with an anticipated graduation date of June 2017. The \$500 scholarship is open to those who plan on continuing their participation in musical activities, including choral singing, after high school. **Special consideration will be given to applicants who have participated with Syracuse Chorale.**

The Syracuse Chorale was founded in 1953. We are a non-audition community choir with a mission of providing choral opportunities to non-musical professionals in the Greater Syracuse area. We hope to encourage young people to continue participating in the Central New York's vibrant and diverse performing arts community. Chorale rehearses weekly and typically performs three major concerts a year. Membership is open to all high school students. Learn more about Chorale at www.syracusechorale.org or follow us on Facebook.

Students should complete the application that is available in the Guidance Department and provide the required documentation:

- Application – both pages
- Current high school transcript
- Acceptance letter into an accredited college program
- One recommendation from a music teacher, choral conductor or voice instructor

The application is also available online at www.syracusechorale.org. The deadline for the application is **Wednesday, April 26, 2017**. All materials must be **received by the deadline**.

Mail all documentation to: Syracuse Chorale
